Reference Letter from the last Employer :

To Whom It May Concern,

Subject: Ronna Racquel Rosales Bayle

Ronna has been employed as a full time domestic helper with my family for almost two years from 19 Jan 2015 to 24 Dec 2017. During her time with us, she is responsible for looking after my newborn baby and cleaning. My baby is now two years old. Ronna is caring, clean and attentive to my toddler since he was a baby. She works hard and takes good care of my child. We can trust her with looking after the baby.

With her degree in nursing from the Philippines, Ronna is careful with medication given to my child. Also, she acted promptly when my toddler accidentally sprained his elbow, a condition called "nursing elbow". She massaged his arm and put his slightly dislocated elbow back. It was a relief for us as it was late at night.

I would recommend Ronna to the next prospective employer.

Please do not hesitate to contact me at ronna.racquel@bayle.com if you have any questions.

Thank you,

3 DEC 2017
